<p>APPOINTMENT OF THE CHAIRMAN [1] OR SPECIFIC PERSON AS PROXY [3]</p> <p><u>(3) Article L. 225-106 of the French Commercial Code</u> A shareholder may be represented by another shareholder or by his/her spouse or civil partner. Any shareholder may be appointed as proxy by another shareholder for the purpose of being represented at a meeting, without any limits other than those resulting from legal or statutory provisions stipulating the maximum number of votes that may be held by one person, both in their own name and as proxy. Clauses contrary to the provisions of the preceding paragraphs shall be deemed unwritten. For any proxy of a shareholder with no stated proxy, the Chairman of the General Meeting shall issue a vote in favour of the adoption of the draft resolutions submitted or approved by the Board of Directors and a vote against the adoption of all other draft resolutions. To vote otherwise, the shareholder must choose a proxy who agrees to vote as instructed by them.</p>	<p>VOTING BY POST [2]</p> <p><u>(2) Article L. 225-107 of the French Commercial Code</u> All shareholders may vote by post using a form specified in a decree issued by the French Council of State. Forms that do not give any sense of vote or express abstention are considered to be negative votes. If provided for by the Articles of Association, shareholders deemed to be present for the purpose of calculating the quorum and the majority are those who are participating in the General Meeting by videoconference or by other means of telecommunication technology that enables them to be identified and whose nature and conditions of application have been determined by decree of the Council of State.
