Subject: Change in the investment strategy of the 'CM-AM CONVICTIONS EURO' sub-fund of the 'CM-AM SICAV' SICAV

Dear Madam, Dear Sir,

You are shareholders of the 'CM-AM CONVICTIONS EURO' sub-fund of the 'CM-AM SICAV' SICAV, managed by CREDIT MUTUEL ASSET MANAGEMENT, and we thank you for your confidence (hereinafter the 'UCITS').

What changes are going to take place on your UCITS?

Crédit Mutuel Asset Management, the management company, pays particular attention to environmental, social and governance (ESG) practices of the companies in which it invests on behalf of its clients and the UCIs that it manages. It wishes to offer its clients a responsible and meaningful UCITS.

In this context, the management company has decided to label the fund in accordance with the SRI label.

As a result, the investment objective and strategy of your UCITS will be modified to add asset selection filters based on non-financial criteria related to sustainable development and corporate social responsibility, which are more restrictive than those used previously, in order to meet the requirements of the French SRI label.

In addition, transfer commissions will be waived.

When will this occur?

The amendment will enter into force on 07/09/2022.

**If you agree with this operation, there is no need for any intervention on your part.
If you disagree with this operation, you can request the redemption of your shares free of charge, as your UCITS does not charge any exit charge.**

For further details, please contact your usual advisor.

What is the impact of this change on the risk/reward profile of your investment?

This operation will result in the following changes:

- Change in risk/reward profile: YES
- Increase in the risk/reward profile: NO
- Potential increase in charges: NO
- Magnitude of the change in the risk/reward profile: Not significant ¹

¹ This indicator is based on changes in the SRRI and changes in the Fund's exposure to one or more risk typologies.

What are the main differences between the sub-fund of the SICAV you hold shares in now and the future fund?

Taking non-financial criteria into account in the investment process	<p>The investment strategy of the UCITS, as described hereafter, incorporates non-financial criteria, according to a methodology developed by Crédit Mutuel Asset Management's non-financial analysis department, aimed at excluding the lowest-rated securities with respect to environmental, social and governance issues in order to reduce, in particular, the sustainability risk to which the UCITS is exposed and specified in the 'risk profile' section.</p> <p>The main adverse impacts are also taken into account in the investment strategy.</p> <p>The policies for monitoring controversies and sectoral exclusions are available on Crédit Mutuel Asset Management's website.</p> <p>Environmental, social and governance (ESG) criteria are a component of the management, but their weight in the final decision is not defined in advance.</p> <p>This process of selecting directly-invested securities makes it possible to determine a score (1 to 10) based on the contribution, higher or lower, to ESG factors, and then to classify companies according to five distinct groups with regard to their non-financial performance: 1 = Negative (High ESG Risk/assets potentially frozen); 2 = Little involvement (More</p>	<p>The management strategy of the UCITS establishes a target investment universe using a non-financial process plus a financial analysis. The strategy of the UCITS is based on a selectivity approach that consists in selecting the best-rated companies or those demonstrating good prospects for their environmental, social and governance (ESG) practices and excludes those that involve risk in the area."</p> <p>The selection process of the securities in which the UCITS invests breaks down into three stages:</p> <p>1. ESG filter: The management team will apply non-financial filters according to ESG criteria based on a proprietary methodology developed by the Responsible and Sustainable Finance analysis division. This filter covers the quality of governance, societal, social and environmental criteria and the commitment of the company to a socially responsible approach. For illustration purposes, for pillar E: carbon intensity, for pillar S: human resources policy, and for pillar G: the proportion of independent directors is included in our ESG categories. This filter determines a classification from 1 to 5 (5 is the highest classification). In terms of managing controversies, each security is subject to specific analysis, monitoring and rating.
